Dear Jessica and Emmanuel,

Congratulations! You have each been selected to be awarded a Jennifer Bosanko Memorial Scholarship. Out of all our applicants, the awards committee appreciated that the two of you, "like Jen, demonstrate intellectual curiosity, industriousness, and a well-rounded approach to taking on the world."

This selection comes with a \$1,000 award, to be applied toward your future educational expenses here at W&M. In the coming days, I expect that our office administrator, Pamela Barber, will be reaching out to you to arrange the payment. Your names will also be added to our [list of recipients](#). (Be sure to add the scholarship to your CV or résumé as well!)

Congrats again! Take care,

Chad Vance
