
Honors 495 Registration Information Fall 2025

From Slack, Judith <jbslack@wm.edu>

Date Thu 7/31/2025 10:20 AM

To Sampson, Emmanuel <ecsampson@wm.edu>

Dear Emmanuel,

We are pleased to inform you that you are eligible to be a candidate for Honors in the Department of *Philosophy* in the 2025-2026 academic year. Your application has been approved such that you must register for this specific Honors course, *PHIL 495 06 (CRN 15321)* with *William D'alessandro* as your advisor. You have been given a departmental override to this course and **you must register for Honors before the close of the Fall 2025 add/drop period**. After this time you will have to petition for a late add. Should you decide to drop Honors after the add/drop period, please have your advisor contact the Charles Center.

The Arts and Sciences Guide for Students in Department Honors is available on the Charles Center website: [Departmental Honors](#). For general Departmental Honors questions, please contact the Charles Center at (757) 221-2460 or at cchonors@wm.edu. You should also consult the chair of your department or program director for additional instructions.

We trust your honors work will prove to be both a stimulating and rewarding experience for you, and we wish you every success during the coming session.

Best,

Charles Center Staff
