Dear Emmanuel,

I am writing to affirm your selection as the recipient of the Spirit Scholarship (for Fiscal Year 2025). The William & Mary Spirit Scholarship was established in 2012 to honor and support students who personify the W&M spirit through their extracurricular activities and demonstrated commitment to the College. Applicants must be continuing students who have (1) documented financial need, and (2) a record of student leadership and/or service, and enthusiastic support of the College.

The monetary value of this year's Spirit Scholarship is approximately \$12,000 which will be applied directly to your student account after August 1, 2024; after we have processed the paperwork we will reach out with the exact amount applied to your account. Please note that you may receive some additional information from the Advancement Office about the *Scholarships Thank You Reception* event in the fall semester.

Congratulations on your selection as this year's recipient. SLD is excited to see it go to such a deserving individual!

Sincerely,

Anne H. Arseneau
Director, Student Leadership Development
